Besançon Town Map

Besançon to Etalans 28.5km

Sign to Look Out For

Route Summary: the exit from Besançon begins gently alongside the river Doubs. There is a stiff climb on a quiet road from the river into Montfaucon. The road levels and the later parts follow good tracks safely isolated from the busy N57.

Distance from Canterbury: 767km

Distance to Rome: 1316km

Ascent: 939m

Descent: 802m

Way Point N°	Way Point Distance (metres)	Total Distance (kilometres)	Directions	Verification Point	Compass	Altitude (metres)
31.001	0	0.0	Starting from the tourist office take the Pont de la République over the river Doubs			
				Note:- the GR595 is being renamed as the via Francigena and signposts are being installed at the time of writing. The GR, while passing through dramatic scenery and a number of towns with good facilities is both longer and more strenuous than our route.	SW	243
31.002	180	0.2	After crossing the river turn left onto the river-side path	Maintain river to the left, passing the Citadel on the right	SE	245
31.003	3500	3.7	Turn right to leave the chemin de Halage	Immediately after passing weir	SE	266
